

The Chart Endorsement

Tract 2 of 2

The Foundation and Platform

The warning has come: Nothing is to be allowed to come in that will disturb the foundation of the faith upon which we have been building ever since the message came in 1842, 1843, and 1844. I was in this message, and ever since I have been standing before the world, true to the light that God has given us. We do not propose to take our feet off the platform on which they were placed as day by day we sought the Lord with earnest prayer, seeking for light. Do you think that I could give up the light that God has given me? It is to be as the Rock of Ages. It has been guiding me ever since it was given. Brethren and sisters, God lives and reigns and works today. His hand is on the wheel, and in his providence he is turning the wheel in accordance with his own will. Let not men fasten themselves to documents, saying what they will do, and what they will not do. Let them fasten themselves to the Lord God of heaven. Then the light of heaven will shine into the soul-temple, and we shall see the salvation of God.

{RH, April 14, 1903 par. 35}

Simply stated the platform is on those charts those are the messages proclaimed from 1840-1844

“It was the **united** testimony of Second Advent lecturers and papers, when standing on ‘**the original faith**,’ that the publication of the chart was a fulfillment of Habakkuk 2:2, 3. If the chart was a subject of prophecy (AND THOSE WHO DENY IT LEAVE THE ORIGINAL FAITH), then it follows that B.C. 457 was the year from which to date the 2300 days. It was necessary that 1843 should be the first published time in order that ‘the vision’ should ‘tarry,’ or that there should be a tarrying time, in which the virgin band was to slumber and sleep on the great subject of time, just before they were to be aroused by the Midnight Cry.” *Second Advent Review and Sabbath Herald*, volume I, number 2, James White.

Show what the Word of God declares is to take place on this earth. The God who gave Daniel instruction regarding the closing scenes of this earth's history will certainly confirm the testimony of His servants as at the appointed time they give the loud cry. {21MR 436.6}

Nothing would be allowed to stand in the way of the new movement

The enemy of souls has sought to bring in the supposition that a great reformation was to take place among Seventh-day Adventists, and that **this reformation would consist in giving up the doctrines which stand as the pillars of our faith**, and engaging in a process of reorganization. Were this reformation to take place, what would result? The principles of truth that God in His wisdom has given to the remnant church, would be discarded. Our religion would be changed.

The fundamental principles that have sustained the work for the last fifty years would be accounted as error. A new organization would be established. Books of a new order would be written. A system of intellectual philosophy would be introduced. The founders of this system would go into the cities, and do a wonderful work. The Sabbath of course, would be lightly regarded, as also the God who created it. Nothing would be allowed to stand in the way of the new movement. The leaders would teach that virtue is better than vice, but God being removed, they would place their dependence on human power, which, without God, is worthless. Their foundation would be built on the sand, and storm and tempest would sweep away the structure. {1SM 204.2}
