VISION OF THE RAM & THE GOAT.

PAGAN ROME.

PAPAL ROME.

As early as 1842, the direction given in this prophecy, to "write the vision, and make it plain upon tables, that he may run that readeth it," had suggested to Charles Fitch the preparation of a prophetic chart to illustrate the visions of Daniel and the Revelation. The publication of this chart was regarded as a fulfillment of the command given by Habakkuk, {GC88 392.1}

The Lord showed me that the 1843 chart was directed by his hand, and that no part of it should be altered; that the figures were as he showed them. That his hand was over and hid a mistake in some of the figures, so that none could see it, until his hand was removed. {RH, November 1, 1850 par. 10}

The hand of the Lord was removed from the figures, and the mistake was explained. They saw that the prophetic periods reached to 1844, and that the same evidence which they had presented to show that the prophetic periods closed in 1843, proved that they would terminate in 1844. {EW 236.1}
