

SOP- BLOODY BOWELS (COLON)/ INFLAMMATION OF THE COLON:

"A brother was taken sick with inflammation of the bowels and bloody dysentery..... Fears were entertained that mortification had set in. Then the thought came to me like a communication from the lord to take pulverized charcoal, put water upon it, and give this water to the sick man to drink, putting bandages of the charcoal over the bowels and stomach... The result was that in half an hour there Was a change for the better...." (2 SM 299.1-2)
