Cleansing of Sanctuary until probation closes
REV 18 angel gives last warning message as it joins in repeating the REV 14 three angel's message (with the additon of the corruptions that have been entering the church since 1844) which swells into a loud cry - this includes the message that probation is about to close when Islam (under Seventh Trumpet/ 3rd woe) moves to and destroys Jerusalem.

THE END
By pen and voice we are to sound the proclamation, showing their order, and the application of the prophecies that bring us to the third angel's message. There cannot be a third without the first and second. These messages we are to give to the world in publications, in discourses, showing in the line of prophetic history the things that have been (up to 1896) , and the things that will be (future) .
—Manuscript 32, 1896. {CW 26.2}
Turkey stands as a natiional guidepost to the world that men may know what is going on in the sanctuary above... God's eye is upon his people, and he never leaves himself without a witness in the world. No man knows when Turkey will take its departure from europe, but when that move is made, earth's history will be short. Then it will be said, "he that is unjust let him be unjust still, . . . And he that is righteous let him be righteous still." to-day is "the day of preparation...while the world watches Turkey, let the servant of God watch the movements of his great high priest, whose ministry for sin is almost over."{1901 SNH, SDP 248.2}
