My First Vision

"The Narrow Way"

Ellen G. White

It was not long after the passing of the time, in 1844, that my first vision was given me. I was visiting Mrs. Haines at Portland, a dear sister in Christ, whose heart was knit with mine; **five of us, all women**, were kneeling quietly at the family altar. While we were praying, the power of God came upon me as I had never felt it before.

I seemed to be surrounded with light, and to be rising higher and higher from the earth. I turned to look for the advent people in the world, but could not find them, when a voice said to me, "Look again, and look a little higher."

At this, I raised my eyes, and saw **a straight and narrow path**, cast up high above the world. On this path the advent people were traveling to the city which was at the farther end of the path. **They had a bright light set up behind them at the beginning of the path, which an angel told me was the "midnight cry."** [See Matthew 25:6.]

This light shone all along the path, and gave light for their feet, so that they might not stumble.

If they kept their eyes fixed on Jesus, who was just before them, leading them to the city, they were safe. But soon some grew weary, and said the city was a great way off, and they expected to have entered it before. Then Jesus would encourage them by raising His glorious right arm, and from His arm came a light which waved over the advent band, and they shouted "Alleluia!"

Others rashly denied the light behind them, and said that it was not God that had led them out so far. The light behind them went out, leaving their feet in perfect darkness, and they stumbled and lost sight of the mark and of Jesus, and fell off the path down into the dark and wicked world below. {CET 58.3}

There are only 2 reasons that causes one to stumble and fall off the path:

1. Either taking your eyes off of Jesus who was just before them.
2. Or rashly denied the light behind them!

Question: What is the Midnight Cry?

If you don't know what it is, how do you know that you have not fallen off the path?
