

*IN LOVING MEMORY OF CHRISTINE GUARDO*

Mon, Oct 12, 2020 at 10:20 AM

Dear Brothers and Sisters,

I am sure those of you who knew Christine Guardo are aware of her recent passing. My prayers and sympathies go out to her friends and family of whom she blessed so many. We will truly miss her. She was dedicated to the present truth of the 3rd angel and the health messages. Christine worked tirelessly to get the most solemn message (3rd angel) out to the people-- to know when probation is about to close in the sanctuary above to prepare for the 2nd coming of Christ.

Her last video was released in July and is a powerful testimony of her love of present truth. She seamlessly and concisely covers the history of Daniel 11 in 90 minutes and makes an urgent appeal at the end.

Attached is a transcript of her video with a link to the video on the top of the first page. I have attached 2 documents. One is the transcript with images from the video and the other attachment is transcript only.

I wanted to leave the wording as Christine spoke; this is what makes it even more special. This came from Christine's heart to the people and the Holy Spirit was speaking through her-- it's beautiful just as it is. When hearing someone reading Ellen White, I recognize the author almost immediately based on her unique style. Christine had a unique style of speaking as well. :) Praise God, her voice still lives on through these messages!

It is my sincere prayer and heartfelt desire that this document will be spread like the leaves of autumn to one and all; to warn the world to prepare their hearts for a soon coming Saviour. May this message of the third angel be the first and foremost of importance in all our discourses as "to allow nothing else is to absorb their attention" (Ms53-1910.6), for the time of our visitation is at hand.

I know Christine would have been thrilled to know that the torch of truth is being carried high and passed forward. Please forward these documents to as many as you can so we can work together in spreading this message far and wide.

In His Service,

Melinda Harris
